General Notes

1. The drawing emphasizes the TMC product family. It illustrates a general arrangement layout of a VELEX Sun Tunnel Skylight, drawing attention to particular aspects to ensure proper installation and performance.

2. The product family includes skylights, sun tunnels, and roof mounts, each designed for specific applications. The VELEX logo is prominently displayed on the drawing to identify the product.

3. The drawing includes dimensions, symbols, and notes to guide installation and integration with surrounding structures.

4. The VELEX logo and product line are repeated throughout the drawing to reinforce brand identity.
